OBJECTIVE:

To obtain a challenging position as a graphic/web designer in a multi-disciplinary firm, utilizing my graphic and web design education and experience.

SKILLS:

Excellent communication and organization skills which allow me to accomplish the most difficult projects and work-related scenarios.

Consider myself a team player. My love of people and attention to details are just some of my strongest qualities.

As a web and graphic designer at Stockgroup, my major responsibilities were to design websites, to build, reconstruct sections and maintain websites, to design banner and button ads, to communicate with clients directly either by email or by phone.

I also had the opportunity to work closely with our Lead Designer for designing logos, annual reports, newspaper ads and corporate identity manual.

EDUCATION:

Jan. 01 – Dec. 01

Vancouver Career College, Vancouver, BC

Intensive 50-week course in digital graphic and web page design, including concepts and storyboarding.

1996 – 1999

The West University “Vasile Goldis”, Arad, Romania

Three-year Diploma in Law.

WORK EXPERIENCE:

Nov. 01 – Present

Stockgroup Media Inc., Vancouver, BC

Designed and maintained websites, banner ads, logos.

Posted the news releases to the clients' websites.
